

Lords Supper Talk

We have new life in the church body this morning. Amen. It can be physical like the birth of a child or spiritual like the chain breaking release of bondage from a sin that we have been struggling with in our lives.

The beauty in all of this is that we can have a new life in Christ if we will repent our sins.

We all should be thankful that we worship a God who never runs out of Mercy and Grace.

Speaking of being thankful for Mercy and extending grace....

Lamentations 3:23 says...

His Mercies are new every morning; Great is His Faithfulness.

And who can forget the prodigal son who was burning the candle at both ends. Or Saul, what a jerk. He sure had a change of heart on that redemption road.

If we are struggling with forgiving others or are caught up in some kind of bitterness we can turn to our Lord and Savior and ask him for wisdom and guidance.

We have a Merciful loving God who cares deeply and wants the best for us.

What better way to approach the table this morning to reflect on life and the hope that it is never too late to ask for forgiveness and celebrate the ultimate sacrifice that has paved the way for the Salvation of all mankind.

Prayer

Lord Thank You for Life. Thank you, Lord for your sacrifice. Thank you for forgiving us even though sometimes we feel like we don't deserve it.

In Your Name Amen.
