

I recently came across this short communion thought, that I would like to share with you this morning...

The cross is precious to those who call themselves Christians. It portrays great feelings, since we are reminded

Of the story behind that cross. Jesus paid the supreme price by giving His life a ransom for all mankind.

He made it possible for mans relationship with God to be restored. It pleased God to offer Jesus for us.

The bible speaks clearly about the cross, and its significance for everyone who wants redemption.

1. The bible says the message of the cross is foolishness to the wicked, but to those being saved, it is the power of God.

2. The bible says the power of the cross draws sinners to God.

3. The bible says that when Jesus died on the cross, He made it possible for us to be reconciled to God.

4. The bible says that Jesus restored peace between God and us.

5. The bible says that Jesus dying on the cross made it possible for us to become the righteousness of God in Him.

6. The bible says that Jesus dying on the cross provides for us forgiveness of sins.

7. The bible says that Jesus dying on the cross makes it possible for us to be sanctified.

8. The bible says that Jesus, for joy, endured the cross for us.

9. The bible says that Jesus tasted death for all of us.

10. The bible says that because of Jesus' sacrifice on the cross, in giving His life, salvation is now available for everyone.

11. The bible says that because of the cross of Jesus, we can be made whole and complete, right with God.

12. The bible says that by Jesus shedding of His blood, that man has been reconciled to God.

13. The bible says that by the cross Jesus made eternal redemption available to man.

14. The bible says that the cross is proof of the destruction of the devils power.

15. The bible says that the cross is proof of the manifestation of Gods great love for us.

16. The bible says that God offers His grace to us since Jesus died for us on the cross.

17. Because of the cross and what price has been given for our redemption, we now have hope.

18. The bible says that while men were still sinners, Jesus died on the cross for us.

19. The bible says that Jesus for the joy that was set before him, endured the cross, despising the shame, and is set down at the right hand of God. ---

Oh how we love the cross, but beyond the cross, we love Jesus, who died that horrible death for us. And more, the grave didn't end things. He rose from the grave, has gone to prepare a place for us, and He says we will rise up from the grave, and we will spend eternity with Him!
