Lord's Supper Talk:

Repent for the Kingdom of Heaven is near.

Mathew 3:2

The basic meaning of repentance is to turn around. It is a turning from evil ways and a turning to Christ and through him to God.

Repentance involves a change of lords. From the lordship of satan to the lordship of Christ and His Word.

True repentance for one's sin is accompanied by Faith in Salvation in Christ.

Genuine repentance will be accompanied by the fruit of righteousness. True saving faith and conversion must become evident through lives that forsake sin and bear godly fruit. Those who say they believe in Christ and are God's children, and yet do not live lives that produce good fruit, are like trees that will be cut down and thrown into the fire.

This doesn't mean that for those of us who have already given our lives to the Lord that we can keep on sinning willfully. There are seasons where we literally got some pruning and some cutting to do to get back right with the Lord to produce fruit.

Get out your ax, chainsaw, pruning shears, till the soil, let's ask God to water our garden and stir up a spirit that burns for Him.

Prayer:

Father as the land before us is dry give us a hunger and thirst for you.

Thank you for your body that was sacrificed and laid bear for our sins. And your blood that was poured out to cover over all of our sins. Not just my sins Lord but for all the sins of the world. Lord you are the cup that never runs dry and the Land that feeds and sustains us Lord in your name we pray.

Amen.
