

Lord's Supper Talk

February 20, 2022

Good Morning,

When was the last time you sat down and prayed over your meal with purpose. In fact, when was the last time you set aside time to really pray for others.

I was doing some research on thanking God for food harvested in the field. And yet again it led me down a rabbit trail that led me directly back to scripture.

Some think it is bad to pray and give thanks for animals because they don't have a say in the matter.

In certain cultures, the first thing they do after the animal dies is to pray over it and give thanks. To whom their prayers are directed to can be a mystery but to them the sacrifice and the life is precious to them.

I have witnessed others who have sincerely thanked God for their harvest with sincerity and gratitude and it is beautiful.

1 Timothy 4:4

For everything created by God is good, and nothing is to be rejected if it is received with gratitude.

MARK 6 : 41 Taking the five loaves and the two fish and looking up to heaven, he gave thanks and broke the loaves. Then he gave them to his disciples to distribute to the people. He also divided the two fish among them all. ⁴² They all ate and were satisfied,

Jesus gave thanks before He fed the five thousand, and Jesus broke bread and gave thanks at the Last Supper. How much more sincerity do we need. When we talk about prayers and sacrifices this will always lead us home.

Prayer

Lord thank you for letting us gather at this table to give thanks for what you have done for us and for what we can do for others in your name I pray.

Amen
